Director

Tania Infante is the Director & Owner of Burlington Dance Academy. She brings over 15 years of teaching expertise to this wonderful camp. She enters students into annual Cecchetti Ballet examinations and has won many awards at dance competitions for her choreography and creativity. Ms. Infante is looking forward to a fun-filled Stagelight Camp.

Assistant Director

Patricia Ridge is a graduate of Burlington Dance Academy and has been a part of Stagelight Summer Camp for 6 years. She is studying Commerce at the University of Guelph. Patricia has been a part of the Guelph Gryphons Dance Pak team while studying at Guelph, participating in both varsity basketball games and university dance competitions. She is excited to be back again as Assistant Director, and looks forward to seeing both new and familiar faces this summer!

Kinder Camp

Erika Veres (our Preschool Supervisor), along with our Preschool staff, will be implementing the Kinder Camp program. They have had great experiences being part of Stagelight in the past and are looking forward to another fun season!

Kinder campers are involved in as many of our regular camp activities that can be appropriately adjusted for their age. In order to enable the kinder campers to participate in our 'special' events and final production, they will interact with the full day campers throughout the morning periods.

Our Philosophy

- to provide a comprehensive musical theatre experience for all campers
- to develop performance skills in the areas of dance, voice, and drama
- to provide a safe and inclusive environment
- to build self-esteem and confidence

Information Package

All camp families will receive an information package at least two weeks prior to the start of their session. We ask that you complete the health forms and food order forms found in this package and submit them on the first day.

About Stagelight

Using the entire Burlington Dance Academy facility, the summer camp offers a large, bright and air-conditioned environment.

We offer instruction in dance, voice, drama, and arts and crafts. The campers also have an opportunity to design and create the set and props, as well as prepare their own costumes. Each session finishes with a musical production held at a local theatre venue.

And somehow we still find time to let loose with 'special' camp events include *Stagelight Idol*, *Hollywood Day*, *World Games Day*, and *Pajama Day*. During these events all campers get to dress up and participate in activities unrelated to the show. Each session will include a different mix of these events, so campers attending will get a new and fun mix along with each show!

Along with 'get-to-know-you' games and camp songs, there is also 'quiet time' during lunch to sit down and recharge for the afternoon activities.

We take great pride in our summer staff who are hired based on qualities of leadership and their love of children. They go through mandatory training in health and safety issues before camp begins.

Pizza Day

Each week we provide a lunch for our campers as a way to celebrate all that we have accomplished! Each camper will receive two slices of pizza, a beverage of their choice, and a peanut/nut-free treat.

Before and After Care

Supervision is provided by our camp counselors for 'before and after' camp hours. These hours are specified on the back of this brochure. The sign-up and payment process for this service is outlined in detail in the information package.

Cancellation Policy

Please be advised that when you register your child(ren), you are reserving a limited space. A full refund less \$100 will be issued up to and including June 1st for Session I and June 15th for Session II, but at no point after that date.
